

1 A. Yes.

2 Q. And then you asked Ashley about it?

3 A. I just -- I -- I'm a cop's daughter. I know  
4 I'm not supposed to tell them anything. I don't lead  
5 them on or lead the conversation.

6 So I would sit her down and I sat her  
7 down, and I said, "Okay. I need to know everything  
8 that he did."

9 Q. What did she tell you?

10 A. So she told me.

11 But she only told me about that one day  
12 and that's all she's ever told me. Ever.

13 Q. As far as touching her breast?

14 A. Yes.

15 Q. That it just happened?

16 A. That one day.

17 Q. Meaning the last day of school?

18 A. Yes.

19 And I asked her -- sorry.

20 Q. Go ahead.

21 You've asked her?

22 A. I have asked her if it had ever happened  
23 before, and she just says, "No, I don't remember."

24 Q. Did you ever have a discussion with Krista  
25 about any incidents on the bus?
